

Reputable Bus Company Business for Sale Rotorua

Bus company for sale in Rotorua - reputable business with forward bookings

We have been passionate owner-operators of this group transport company since 2008. We are looking at selling our business which has good forward enquiries and confirmed bookings in place.

There is a lot of potential for growth for the next owner!

With strong industry relationships right across the transport sector, we primarily transport groups for events around Rotorua and the wider North Island - such as:

- Conferences: dinner transfers & field trips
- Incentive events
- Visiting business and university groups
- School charters
- Local group excursions such as Probus, Walking Groups, Garden Groups etc
- Airline disruption transfers
- Exclusive small group private tours

Most of our business is through word of mouth, as we have become known for our excellent customer service and reliability. We have repeat customers who continue to book with us regularly, including local groups and event organisers.

We would prefer to sell the business with our vehicles but are open to all offers.

All vehicles regularly serviced and maintained by a local mechanic, and all have current COF, Registration & RUC, Aircon/heating, and PA system.

Please reach out to Jane or Paul with any questions or express your interest.
