Accommodation and commercial option

Previously known as the Hawarden Hotel until undergoing a transformation and trading recently as 'The Hogget', this building offers buyers plenty of options for future use. We are offering for sale the real estate plus the plant and equipment within the building, which up until recently was open as a café & dining business with overnight accommodation too.

Completely renovated and finished to a high standard, there is a lot of value which a new owner will get the benefit of. We are looking for an operator with the vision and the energy to make The Hogget their own or you could be an investor looking to rent out the residential apartments plus the commercial space to gain a return on investment.
