

Security Business for Sale Hanmer Springs

Great opportunity for sole owner/operator for a work from home business

Hanmer Springs Security Services is currently being restructured and now offers someone the opportunity to acquire the business with all the security services, parking enforcement, freedom camping enforcement, after hours animal control, patrols, ATM guarding and FLM, and more

Secure contracts with the local council, Armourguard, ADT, local businesses and homeowners ensures a steady income.

Business Resources

Two part time enforcement officers/guards currently employed in the areas being sold. They could be kept on or a purchaser may want to do this work themselves.
