### Domestic Door Manufacturing

This well-established business has an excellent reputation amongst builders and home-owners and their workload has remained consistent. Revenue for FY2024 shows continuing growth and the current pipeline of work is strong.

The business operates from a purpose built premises and is designed for efficiency with capacity for further growth.

The Vendors are ready to retire and focus on other interests. The Vendors are *prepared to meet the market* in terms of pricing and the current price is a reflection of their desire to sell.

Key attributes of the business include:

- Annual revenue continues to remain steady
- Strong repeat customer base
- Mechanisation and technology have significantly improved productivity
- A strong reputation for quality and customer service
- Vendor is willing to commit to a transition period of up to 4 months

Opportunities like this are infrequent where a vendor values time and opportunity more than money.
