This home based, sole trader business needs a NZ based owner. Last year \$15,000 for 5 weeks work - Huge potential.

Produce and wholesale our own products of stationery & gift cards predominately souvenir notepads with own artwork and images and copyright. Operating for over 40 years in NZ & Australia and now selling the NZ side of the business as being neglected due to myself residing in Australia. Presently operates by calling on retail tourist outlets, book and card shops, gift shops and florists although orders can be obtained through website, emails and phone. Can operate anywhere in NZ. Existing client base but opportunity to expand. Good profitability without huge outlay in stock or expenses.. Selling many images other than those presently shown on website.
