

Sports Retail Store Business for Sale Manukau Auckland

Impressive profits! This store offers services and stock sales in the Archery industry to retail customers, online sales, and Club supplies throughout New Zealand.

Well established Sports retail store

Very well established Sports retail store in Auckland, currently in its 11th year and very well known among all of its customers around New Zealand and Oceania. This store offers services and stock sales in the Archery industry to retail customers and wide online audience.

One owner operated since its inception has now decided to sell and hand over the reins to you as he is retiring. The sales price of \$429 000.00 includes everything and will make you own it outright, no hidden costs!

As an established business, you will reap profits from day 1 of your investment. If you have questions or unsure about this industry, no worries, full training will be provided and support for up to 3 months for a seamless handover! No special education or qualifications needed to run this business as it has all systems already in place which requires management more than building up.

If you have any further interest or questions about the sale of this business, feel free to get in touch with us.
