

Mobile Automotive Service Franchise for Sale Christchurch

A rare opportunity in Christchurch to purchase an established 26 year going concern business with regular customers and income.

Touch Up Guys is New Zealand's leading mobile paint and bumper repair franchise with 30 years experience and more than 65 successful businesses operating in New Zealand and Australia.

Touch Up Guys customers include private individuals, car dealerships, corporate and rental fleet owners.

We are on the lookout for a man or a woman who is a great communicator, is self-motivated and enthusiastic with a desire to own your own business, enjoys working with their hands and can deliver exceptional customer service.

To be a successful Touch Up Guys franchisee you don't need a spray-painting background. Our training and support programs will teach you what you need to know.
