Great Business Provides a Golden Opportunity

On offer is a well-established, successful, profitable business which supplies shade sails, awnings (for buildings, and for caravans), banners, canopies, covers, truck side-curtains, and much more. The business measures for, manufactures and installs its products, making it an attractive "one-stop shop" for its customers.

This business is long-established and has a good reputation in the marketplace. This is the first time that the business has been offered for sale on the open market.

Our Vendors are keen to ensure that a new Purchaser will look after their "baby" and so will provide excellent assistance as part of the handover to a Purchaser.

Here is a rare opportunity to acquire a well-established profitable business with great future prospects which will excite a Purchaser seeking a good business.

We recommend early enquiry to avoid disappointment - contact Athol McCully on 027 433 8052, or email athol.mccully@naiharcourts.co.nz for more details.
