

Building and Facilities Management Business for Sale Wellington

Building and Facilities Management

Building and Facilities Management

Our vendor has built up an impressive business managing multi-unit properties on behalf of their body corporates. The business has a strong growth trajectory and continues to perform well.

Services include:

- Management of body corporate portfolios
- Creation and scheduling of maintenance plans
- Project management
- Building regulation monitoring and compliance
- Health and safety planning and compliance
- Provision of caretaking and maintenance services
- Management of external contractors

This is a rapidly growing business and extremely well suited for an owner with good management, administration and communication skills and presents a great opportunity for a purchaser to gain financial independence.
