

Bobs Bikes Business for Sale Matamata

Expansion Opportunities. Well established in a prime busy location with plenty of customer parking and excellent supplier distribution agreements in place! Well known by customers from all over the North Island. An excellent business opportunity!

Bobs Bikes is an established owner/operated busy retail bicycle store located in the Waikato town of Matamata.

The spacious store is in a prime busy location with plenty of customer parking, it is well known by customers from all over the North Island.

The store was opened in February 2020 by long term bicycle enthusiast and successful business owner, Bob Puru after selling his store in Hamilton. After many years in the cycle industry, Bob is now looking to retire!

There are further opportunities for this business to continue its growth, lack of competition with certain brands will allow higher margins, group rides, hire bikes, events and sponsorship will attract new customers.

"Reputation" is Bobs Bikes most valuable asset, as it influences their results in business.

Bobs Bikes has excellent quality distribution agreements with their suppliers and these factors allow Bobs Bikes to overcome its competitors.

The sale price of Bobs Bikes has been determined on the basis of this market analysis with opportunity for future increased revenue growth.
