

Zones Landscaping Nelson Franchise for Sale Nelson / Tasman

Grow your own successful landscaping business

New Zealand homeowners spend hundreds of millions of dollars each year on landscaping. Zones is providing an opportunity for you to gain a foothold in this huge and growing market. We provide you with the marketing, systems and processes to enable you to grow a multi-million dollar landscaping business.

You don't need to be a landscaper to join Zones

We're looking for business-oriented people that can manage and grow a successful landscaping company. You don't need to be a landscaper to join Zones. The landscaping skills are roles within the business, running the projects not running the company.
