Welcome to Vintage Tea Party!

We offer our clientele full set-up and pack down for weddings, birthdays, bridal showers, anniversaries and baby showers. Some are keen for our basic china hire service, others are eager to be supplied with an array of dainty delicacies.

Imagine arriving at a lovely spot chosen by the hostess, unfurling our gorgeous tablecloths, setting up the prettiest china, and laying out delicious treats. Once the party's over, you clear everything away, giving the hostess the ease they are paying for.

All the setup for you to jump in and host tea parties that guests will rave about.
