Established 3PL Business

Established 3PL Business

Price \$1,250,000

With 35+ years' experience in third-party logistics (3PL) this business provides outsourced logistics services to companies, handling various aspects of the supply chain management process.

The business specialises in handling grocery and food related products, and consumer goods, with a customised contract warehouse and a nationwide distribution network. Operating from a large warehouse with substantial racking and a capacity for 6000+ pallets. The company is a well-known brand and has fostered strong ongoing relationships with major brands while actively working on new business.

Key Considerations

- Annual revenue in excess of \$3,000,000
- Fleet of 6 trucks, 2 trailers and 2 vehicles
- Established Brand
- Long term lease in place
- Close proximity for motorway access
- Proven successful business
- 100% New Zealand owned and operated business

The owner's ill health over the past 2 years has made an impact on the business with the owner needing to rely on others to manage the business in his absence, and is reflected in the asking price

The next owner has the opportunity to bring their fresh ideas and drive to take the business to its next level.
