Kokodak Korean Fried Chicken Franchise for Sale, Kokodak Devonport

Kokodak chicken does not use imported ingredients from overseas. All ingredients we use are freshly supplied by our local NZ suppliers. The powder and sauces are made fresh every day from our distribution centre and are delivered to each branch.

We pride ourselves on offering authentic Korean flavours and recipes, staying true to the essence of Korean Fried Chicken.

Located in a residential, business office, naval base, school and transportation hub in Devonport.

There is plenty of foot traffic comes through from morning to evening due to the large number of locals that pass through as well the exposure to a significant number of tourists that visit via the frequent number of cruise ships that enter the harbour.

All food is made on site except the chicken powder and sauces as the franchise head office supplies these products which removes the extra labour required to prepare these items.
