### A Fully Managed Restaurant with over \$200,000 Profits (CML 11059)

Grab this chance to own a bustling spot that practically runs itself! The current setup means the two owners stay hands-off, and yet, the place still pulls in over \$2,000,000 a year, netting close to over \$200,000 in profits. Just think of the possibilities if a pair of hands-on, dedicated owners were to steer this ship—perfect for a dynamic duo looking for a rewarding project or an investor keen on a low-effort income source.

This gem of a restaurant seats 100 guests comfortably and operates smoothly, thanks to an efficient system and a skilled team covering all bases, from greeting guests to dishing out favourites. Plus, it's part of a franchise known for its fair and straightforward fees, a refreshing change from the usual cut of your hard-earned revenue.

Why You'll Love It:

- Prime location that draws crowds
- Fully licensed and managed
- Respected brand identity
- Fair franchise terms
- Stylish setup ready to impress
- Stable lease in place
- Constant stream of customers

Asking Price: \$675,000 plus stock.
