

Construction Business for Sale Greymouth

Commercial, Residential and Bespoke Construction. Business Partner Opportunity with CYB Construction Ltd Join the Legacy of Excellence in Construction.

CYB Construction Limited, a privately-owned New Zealand company, has been a cornerstone of the West Coast construction industry since its establishment in 1994.

The company is renowned for its excellence, covering a broad range of building and construction projects, including large commercial developments, hotels, motels, educational facilities, factories, recreational and leisure facilities, and substantial private residences.

Business Resources

CYB Construction Ltd has a skilled full-time labour force, a fully operational workshop and yard including precast facilities. The team has a wide range of skills through their qualified carpenters and construction workers, welders, heavy vehicle operators, and office staff. The company has an extensive list of plant and equipment, allowing it to handle projects of varying sizes and complexities.

Plant and Equipment:

This includes containers and site buildings, vehicles, diggers, trucks, access equipment, trailers, telehandlers, scaffolding, saws, concrete equipment, formwork, steel props, etc. The value of these items will be based on an actual list to be included in the transaction and subject to negotiation. A depreciation schedule or an independent valuation can establish the value of the nominated items.

Land and Buildings:

CYB owns the Gladstone Yard, comprising approximately 5000m² of freehold land with a large workshop/storage building plus offices. A registered valuer will establish the value of this asset.
