

Service Station for Sale Waikato

Exciting service station opportunity!

Great opportunity to acquire this well-run station with multiple revenue streams, part of a reputable brand, and a part of the local community with loyal clientele.

The site is well-furnished and has an additional income-generating revenue stream. This business returns great profits with a very low rental expense further subsidised through sub-tenancy.

The service station offers a full range of fuel comprising 91 octane, 95 octane, and Diesel in addition to gas swap.

Additional revenue stream

Further potential growth

Great location to capture traffic

Fully managed site
