Oil Changers Rotorua - opportunity

Selling due to retirement by the original owner.

The business suits a mechanically-minded purchaser with a customer focus. These businesses are enjoyable to operate, with many repeat customers.

Oil Changers with 14 stores nationwide has a well-developed and established operating system that enables staff and owners with practical skills to operate the business. The business provides well-priced, fast, vehicle servicing with no booking required. The business doesn't undertake repairs and offers a wide variety of fluid and filter replacements and top-ups for a complete vehicle service.
