Tauranga Commercial Cleaning. Not A Franchise.

One of the leading non-franchised commercial cleaning businesses in the Western Bay Of Plenty has just come on the market for the first time in many years.

Consider these points.

- Long stable history of both ownership and the client base.
- Specialises in all commercial work, not domestic cleaning.
- Operates in the greater Tauranga area.
- Substantial turnover and very good returns for a working owner.
- Price includes the vans and a substantial array of equipment.
- Long serving stable staff can leave the owner free to further develop the business.
- Easily run by one working owner handling the admin and dealing with clients.
- Superb website, and happy customers, provide a solid base for future growth.

A perfect business for a buyer wanting something with the potential to expand while generating immediate generous returns.

You should be as this is a very good, well proven business with great future maintainable earnings.
