

# Driveshaft Service & Repairs Business for Sale Nelson

## Driveshaft repairs and services - Nelson

The only driveshaft repair business in the Top of the South Island, based in Nelson, with over 15 years of experience and a strong customer base.

We are looking to sell the driveshaft segment of our business. This would be an excellent addition to an existing enterprise in the automotive or general engineering sectors.

Our services include repair, modification, and new builds of driveshafts for automotive, heavy transport, and agricultural machinery of all sizes.

For more details, please get in touch with me
