

Petrol Station for Sale Otago

Petrol Station \$8M Sales

Fuel your future with this thriving petrol station, boasting over \$8M in annual sales and a 2024 EBITDA of \$197,839. This business features a modern facility built in 2016, strategically located on a prominent corner site with huge frontage along a main arterial route, ensuring excellent visibility and accessibility.

The station includes a high-revenue generating shop offering a wide array of convenience items, hot and cold food options, and essential services that drive significant shop sales of over \$1M per year. In 2024, the station sold 2.7 million liters of fuel, contributing to its robust revenue stream and profitability.

Situated in an area with a growing population, this petrol station is well-positioned for continued success. The combination of its prime location, strong financial performance, and comprehensive offerings makes this a standout opportunity in the market.
