

For Sale

Location: **New Zealand**
Asking: **\$89,000**
Type: **Relocatable eCommerce / Wholesale/Distribution**

B2B Import and Wholesale Business. Home Based Selling Gift Products Nationwide.

The relocatable ecommerce business has been around for 28+ years with its success attributed to valued and loyal relationships with our retailers and partnerships. It has built an excellent reputation for the range of quality products it sells and excellent service it delivers.

All sales are to retailers and are secure long-term payers
Retailers purchase from the website or when you visit
Currently managed by one person, part time, with the opportunity to expand
You will have as much support and transparent handover as you require.

You will acquire:

- Stock (approx wholesale value \$47k)
- Website / eCommerce wholesale store
- Supplier and retail database
- Full branding design, logos and domain
- Marketing and product images
- Warehouse fixtures, storage and display units.

This kind of opportunity does not come around often!
