### National Freight Mover - Exceptional Growth Opportunity

Are you looking to invest in a highly profitable and well-established business within the freight industry? This nationally recognised freight mover offers a unique chance to step into a managed operation with substantial growth potential.

Established for 20 years, this business has built a strong reputation for reliability and efficiency in inter-island and nationwide freight services. The company operates primarily Monday to Friday with occasional weekend work due to weather or road conditions.

With key routes spanning across New Zealand, including major destinations from the North to the South Island, this business is a critical player in the industry.

Staffed by a dedicated team, including a highly capable General Manager, the day-to-day operations are seamlessly managed, allowing the new owner to focus on strategic growth and expansion.

Recent market developments have created an exceptional growth opportunity for this business. The time is now for a new owner to capitalise on this.

With a strong financial track record and a comprehensive list of assets, this business is primed for continued success. The current financial year reflects robust earnings with an upward trend in profitability over the past three years.

This opportunity is ideal for investors seeking a solid income-generating business with significant and real potential for growth.

Asking: \$1,800,000.
