### We are selling our established and profitable Automotive Workshop to relocate overseas.

We are selling our established and profitable Automotive Workshop to relocate overseas.

This could be an opportunity for a Mechanic who wants to successfully work for themselves, taking advantage of all that being self-employed has to offer.

This automotive workshop is situated in the Tauriko industrial area that is growing by the day.

This is a simple to run enterprise offering Servicing, Maintenance and Repairs on all makes and models.

We have just renewed the lease and so this would be transferred to you.
