Greater Wellington Region Childcare Centres – Two Centres in One Operation!

- Projected full year EBITDA circa $250k

- Owner works 5-10 hours/week in the business

- Total combined Licence circa 50, combined occupancy circa 98%

This ECE operation consists of two centres situated across the road from each other. One centre offers a nurturing, customized environment for children under 2 years, while the other provides a stimulating setting with activities designed to support the development of toddlers and preschoolers over 2 years.

With minimal owner involvement, thanks to a passionate and well qualified team, the centres are dedicated to diversity and inclusivity. They provide a nurturing and stimulating environment where Tamariki can learn, grow, and have fun.

Due to a change in personal circumstances, the current owner is looking to sell. Significant operational improvements have been implemented, making the business more streamlined, efficient, and profitable. There is also potential for the new owner to further enhance profits and complete ongoing and planned projects, allowing you to put your mark on this business and truly make it your own.

The vendors need to move, and this combined operation has been priced accordingly. Be quick with this one, it won't last long at this price!

Asking Price: $595,000
