

Service Station for Sale Auckland South

Service station – reputable brand!

Auckland region (South)

This is a great opportunity to acquire this well-run station which is part of a reputable brand and a part of the local community with regular clientele.

This site is ideally suited to a working owner/operator or can be bolted onto existing operations. The hard work is all done for you with an upgraded POS system, fuel price signage and an OPT payment kiosk. The site is fully secure with CCTV, a fog cannon, and a cigarette safe. The rent is further subsidised through two sub-tenancies.

The service station offers a full range of fuel, comprising 91 octane, 95 octane, and Diesel in addition to swapping gas bottles.
