Moss Cleaning Business | Low Overheads

This is a great business that is being put up for sale for the first time.

What do you look for in a business:

Stability started in 2021 and grown every year

Growth opportunities business is very busy and has over 1800 customers and growing.

Low cost of sales absolutely!

Low overheads yes again as it is home-based and therefore is not paying rent on leased premises

Great return to owner from the start and as the turnover increases so does the owners return

A business where there is need of its services on a regular basis you certainly have that here.

What is this business? It deals with removing moss, mould, lichen and fungi from the interior and exterior of premises, both residential and commercial, making for a better environment for all its customers.

It is now waiting for a new owner to take over and watch this business grow to its full potential.

Full training will be provided.
