

B2B RV Business for Sale Christchurch

B2B RV - RV's, Campers; Caravans & Buses Repairs & Upgrades; Self-Containment

The Business

This business has grown from a small mobile workshop (one man band) to a well-respected repairer & modifier of RV's, Caravan's & Campers/Buses, with a workshop on the Main South Road, Christchurch. Sales this FY are edging closer to the seven-figure mark, with around 15% dropping to the bottom line as owner income (EBPITD) this financial year.

Key Attributes

The following attributes make this an appealing opportunity.

- Increasing sales & profit
- Strong market demand and increasing market share
- Target audience have discretionary spend capability
- Diverse client base with minimal client risk & good cashflow
- \$65k of stock & plant included in the sale price
- Newly established and very capable team in the workshop
- Motivated vendor

Business Resources

Reason for Sale

Our vendor started the business 9 years ago as a pre-retirement gig and it has grown further and faster than he had planned, or even wished. He wants to slow down, is seldom "on the tools" and a new owner will find a business with a strong foundation and continued demand. The staff are excellent and a new owner may introduce procedures & systems that will improve both productivity and profitability.
