Personnel Recruitment business

30 years of placing people in employment
Very recognised and respected brand name
Massive database of clients and candidates (10,000's)
Cash flow positive business
Semi-managed with low overheads
Highly scalable business

This skilled recruitment and employment agency has placed thousands of people into temporary and permanent employment across New Zealand for more than 30 years.

Operating in Hawkes Bay the business has amassed a huge database of clients and candidates. This valuable resource generates continual repeat business and new opportunities. Loyal clients include blue chip companies and leaders of industry. The business comes with existing placements of temp personnel and positive cash flow.

The current owner works part time in the business but wishes to retire and will provide the necessary support to ensure a successful handover.

This is a well-known and respected business. It comes with systems and know-how for facilitating further growth. The business has generated significant earnings for the owner and is a very attractive proposition.
