

South African Food Manufacturing & Grocery Business for Sale Christchurch

Well established South African Food Manufacturing and Grocery Store in Christchurch for sale.

Taste of Africa is a well-established, highly reviewed, landmark business, on the Christchurch culinary scene. The business provides an array of imported South African groceries, supported by the in-house manufacturing of Biltong, rusks and desserts to name just a few favourites.

The business has a steady stream of returning customers, resulting in year-on-year growth, since its inception in 2015. Taste of Africa is centrally located on the busy intersection of Blighs and Idris Roads and is open six days a week. The team takes pride in manufacturing high quality food in the commercial kitchen on the premises.

Customer service is on point and friendly. This is a rare and unique opportunity to build and expand on, what has already been created.
