The business has seating for around 85 people and includes an espresso coffee window, beautiful assets and an unused bar area.

Reasonable rent and a secure lease through to 2032 this is a no brainer for anyone wanting to establish themselves in the Indian Food scene.

There is also potential to change it to other cuisine with a few simple changes.

This business has a great location with repeat clientele. This business is being sold as a hospitality site. It does not include financial statements but would suit a working operator with a clear vision for what they want to achieve in hospitality.
