

Manufacturing Business for Sale Auckland

Vape Liquid Manufacturer

Looking for your step into a successful business with exceptional growth potential? This is the opportunity for you, and the timing of the market is perfect!

Located in Auckland, this business has set itself apart from the market and distinguished itself as a leader and innovator within its niche industry since its inception. With over 450 contracts and agreements with wholesale clients across New Zealand, a large direct-to-consumer customer base, and recent market regulation changes offering it the chance to increase revenue significantly by leveraging its existing foothold in the Australian market, this business is poised for continued growth and success.

Many of the practises this business has innovated have become the industry standard, its high-level of manufacturing earning it ISO-accreditation for its "better than standard" production facilities. Boasting a loyal following of over 50k+ across a variety of digital platforms, and a wealth of strong customer and supplier contracts and agreements, this business has solid foundations that you, as the new owner operator, can build upon. Leveraging the knowledge, and expertise of the business's existing team can support you as you step into your new role, to help facilitate a smooth transition.

More business highlights include:

High-demand product offering

Strong supply chain and distribution networks to distribute products domestically and internationally

Loyal customer base and significant following

Experienced and dedicated complement of staff

Exceptional growth potential and opportunity to leverage Australian markets.
