

Dog Enclosure Sales Business for Sale Christchurch or Anywhere

Ruby Stay Home Dog Enclosures World Famous in NZ

We are Ruby Stay Home Dog Enclosures (www.rubystayhome.co.nz).

Currently based in Christchurch but can be operated from any town or city.

We freight our enclosures nationwide.

Our point of difference is two-fold: great quality panels and our panels are modular.

This means additional panels can be added on to make any sized enclosure/s.

You will need access to a forklift and yard or shed space for panel storage and to prepare orders. Our panels are imported so a basic understanding around freight broker helpful but not essential.
