

Cornerstone Power Equipment Business for Sale South Wairarapa

Investment opportunity awaits!

On offer is an exceptional opportunity to acquire a highly regarded franchise business in the lower North Island specialising in selling an extensive range of premium outdoor power equipment along with supplementary services of hire equipment and workshop repairs of all makes and models.

With a strong reputation for delivering and servicing gardening power equipment products and maintaining high workmanship standards, the store has forged strong partnerships with a diverse range of local community loyal clientele. The business has become one of the most recognisable brands in the New Zealand retail landscape.

This independently owned franchise combines the strength of the globally recognised brand with a strong local presence and reputation for excellence.

The exceptional business model, robust financial performance, operational efficiency, and growth potential, provide prospective investors a unique chance to acquire a well-established business with a strong presence in the outdoor power equipment industry.
