

Hire A Housewife Service Business Opportunity for Sale North Island

Own a Hire A Housewife License - Training & Marketing Included!

Transform Your Career with Hire a Housewife!

Founded by Natasha Harding in Manawatu 12 years ago, Hire a Housewife (HAH) has grown into a highly successful cleaning business with over 30 dedicated team members. We are now expanding around New Zealand and looking for motivated individuals to join us.

Why Choose Hire a Housewife?

Proven Success: Our business model has turned HAH into a multi million dollar company.

Comprehensive Training: Receive top notch training directly from Natasha Harding, ensuring you hit the ground running.

Strategic Growth: Be part of a vision to expand the HAH brand across New Zealand.

What We Offer:

Hands On Start: Begin with cleaning to understand the business from the ground up.

Business Development: Utilise our proven system to build a strong client base.

Team Building: Recruit and lead a dedicated team, fostering a vibrant company culture.

Achieve Success: Watch your business thrive and enjoy the rewards of your hard work.

Your Opportunity:

At Hire A Housewife, our vision is to empower you to create a thriving branch of our business with minimal restrictions. That's why we've chosen the license model, providing you with the ability to grow a dedicated team and the same success we have achieved at our head office. This model offers the tools and flexibility you need to grow your business effectively.

Are you a hardworking, motivated individual eager to be your own boss? Do you aspire to replicate HAH's success?

With a small initial investment, you'll receive the training and support needed to grow your own branch. Skip the common mistakes and let an experienced mentor guide you to success. We have proven systems that are unique to the cleaning industry and we have grown HAH into a multimillion dollar business in the Manawatu and want to help you do the same!

Empowerment and Flexibility: Enjoy the freedom to shape your business while leveraging our proven systems and support.

Comprehensive Support: Benefit from top notch training, extensive resources, and personalised mentoring to ensure your success.

Location: **North Island**
