

# High Profile Diner for Sale Kaikoura

**Strong customer base! Prime location for a breakfast or lunch break halfway between Picton and Christchurch. Meticulously retro styled American Diner in a booming, picturesque coastal town.**

Perfectly positioned in a prime location for a breakfast or lunch break halfway between Picton and Christchurch. Bernie's Diner has a strong customer base, including locals, national car enthusiasts and tourist groups. This business is a fantastic opportunity for a passionate entrepreneur or an experienced hospitality professional looking to own a unique business in one of New Zealand's most picturesque regions.

Step back in time as you enter this meticulously retro styled American Diner, which makes an instant impression as you walk through the doors, offering an authentic American dining experience. With ample parking including six recently installed EV charging stations behind the premises.

Bernie's Diner is attached to a classic car museum, housing over 40 classic cars. Together they have become a destination hotspot for the thousands of tourists visiting the area annually.

Live, work and play in this booming, picturesque coastal town, famous for its marine and land based activities.

Plenty of potential for growth for this unique business, all the hard work has already been done. Build on the solid foundation of success this already reputable business has put in place. Bernie's Diner is primed for further expansion and continued prosperity under new management.

Payment options for purchase.
