Business Highlights

- Southern Lakes location
- Proven and profitable
- Qualmark Gold status
- Rental and tours
- Includes DOC concessions and consents, allowing guided tours in multiple locations
- Excellent website with booking systems in place
- Strong asset base (circa \$210k)
- 4.9/5 Google and Facebook reviews
- Numerous growth opportunities
- Expected 2025 profit to exceed \$190k EBITDA

Business Resources

The Buyer would ideally be located in the lower half of the South Island. This could be an ideal acquisition for an existing operator, or alternatively for an individual or couple looking for a great work life balance, with the option for being hands on or simply providing general oversight while implementing a growth strategy. The Vendor is happy to provide a solid handover, including introductions to any key relationships.

With next seasons bookings opening soon, now is the perfect time to take it on and reap the rewards of this well established tourism business.
