

# Engineering Industrial Supplies Retail Store Business for Sale Takanini

Profitable with huge potential. Well established operating 8 years with steady growth. Supplies local industrial businesses with industrial consumables and tools.

## **Takanini Industrial Supplies - Engineering & Welding Supplies, Nuts & Bolts, Trailer Parts.**

Takanini Industrial Supplies has been in business for the last 8 years and has seen steady growth from the start, supplying local industrial businesses with industrial consumables and tools.

The store is based in Takanini near to Papakura and its Customers are mainly in the local area within a 10 min drive.

The business is profitable with huge potential for growth.

The business requires only 1 person to operate it at around 45 hours per week.

There is huge potential business in the area that a new owner will be able turn into regular Customers.

Also the owner believes that there is a significant opportunity for new products to be added to the range to increase sales and widen the appeal to all Customers.
