Coffee and Burger Afloat - Lake Dunstan Cromwell

The opportunity has arisen to own Coffee & Burger Afloat on the Lake Dunstan Trail. The floating cafe that's achieved international acclaim and serves award-winning food and sustainability practices.

All the hard work has been done with well set up boats and catering equipment to run this growing business.

With ever increasing numbers utilising this world class trail (as well as its upcoming network expansion), there is huge opportunity to grow and expand this unique business further.

Because of the mobile nature of the boats, there is also further room for growth, by utilising different lakeside sites for servicing functions and summer events, which is proving to be very popular.

If you are a people's person who wants to grow a business, while enjoying a unique workplace on the lake (possibly the most idyllic workplace you could imagine), this is an opportunity that needs your attention as it is one of a kind with great growth potential.

Yes, it is something a little different ... because why not? Be your own boss. Enjoy the rewards of your own effort and hard work. Live the dream in sunny Central Otago with this unique lifestyle business.
