Thriving Bean Sprout Factory for Sale

Looking for a stable, low-competition business with solid returns? This well-established bean sprout factory has been a cornerstone of supply for Asian supermarkets and restaurants for the past 7-8 years. With reliable staff and minimal owner involvement. Average weekly produce approx. at 1000kg of soybean and green bean sprouts. it's a perfect fit for a family business or as a supplement to your income or it will be a perfect opportunity for those who loves a "green" opportunity and has the network to expand the current business scope further.

With consistent revenue and profit, this opportunity won't last long. The current owner is ready to move on, so now's your chance to step into a business with proven success. Act fast and make it yours!
