

# Scaffolding Edge Protection Business Opportunity for Sale Auckland

Start-Up package to start your own Edge protection / Scaffolding business, going cheap! Aluminium based edge protection equipment. Established in Sep 2023, ran for 6 months, change in circumstances.

**Please contact if you want to enter into the lucrative construction business.**

Aluminium based edge protection equipment, the started pack for the gears only about \$184,000 but I am selling in quite cheap and top of that 1 trucks worth \$40k. And it is more gears than the started pack from the company.

It was established in Sep 2023, ran for 6 months, changed circumstances, and had to move overseas. Did 70k turnover in that period. scaffolding solutions for roofers, painters, and decorators. Aluminum scaffold system, no franchise, etc.

All you need is 2-3 clients who can be roofer/painter/solar guy to give you regular work. You do not need to be a scaffolder, only 3 days of training will certify you for this system and you can do it with 1 helper.

Have 1 contractor if you want to use it initially, at a very affordable hourly rate.

Price includes gears for about 10 houses of edge protection cost \$1,10,000+ 2 sets of drills with chargers 1 tool belt 3 spanner/ratchet 9-10 straps for the scaffold onto the truck. Details of the truck as below. Truck has certified hooks installed (10k cost for certification).

Business comes with professionally designed website and a facebook page.

**There is no goodwill at all, selling far lower than bought for as urgent.**

**Don't miss out, enquiry today.**
