Restaurant and Bar for Sale Christchurch

Gastro Pub with gaming

With a large local following this hospitality business runs under management and has upsides. Located in a modern premises with a classic tasteful fit out and a sizeable courtyard popular on warmer days and nights. An owner operator would increase returns from this restaurant and bar with gaming machines adding to the attraction. Situated in a growing college township just 30 minutes from the centre of Christchurch means the business enjoys a large catchment of clientele. Theres a lot going for this business with a bright future ahead of it.
