Great bathroom facilities, toilets changing rooms and showers.

Comes with the use of an adjustable automatic heating system (just maintain it) and equipment (weights, blocks, straps, stereo, fittings/decor).

It is a very rewarding business with over 2200 reviews on the booking app alone. This is a desirable turn key hand over with GREAT staff and clientelle. IF new owner(s) want help/mentoring/advise etc for the back end of the business for a while that will come free of charge for the first 3 months after sale to ensure the business continues to do well.

Great rewarding lifestyle and absolutely an amazing opportunity to franchise further IF that is a goal of buyer, also can increase classes on schedule. Make it yours! Fantastic opportunity for a business that has been built from the ground up and is genuine.

Operating for more than 4 years now, owner selling due to personal reasons which is outside of this business. Ideally looking to sell soon, so this is priced very well.
