

Artisan Product Home Design Business Opportunity for Sale Upper Moutere

Work at home, travel or sell online. Low overhead, make your own by expanding the design and line of products.

New Zealand designed ceramic hearts with wings for indoor or outdoor decor. These unique creations can be sold through an online store, at fairs and markets, or wholesale to galleries and design stores. Create bespoke designs using multiple hearts for businesses and homes. The high fired ceramic hearts are ideal for wall hangings or garden accents, they make wonderful gifts and can be customized for special occasions. Create bespoke backgrounds for specialty markets and customers.
