

# Mobile Dog Grooming Business for Sale Nelson

A fantastic opportunity to own and operate a well established and profitable dog grooming business within the beautiful Nelson Tasman region.

This business was started two-and-a-half years ago and has only gone from strength to strength. Initially set up as a franchised mobile dog grooming business later becoming independent it has built up a very solid recurring client base. Operating at near capacity with scope to expand should you wish to. Currently servicing the Nelson and Tasman regions but opportunities are endless further afield should you wish to pursue these.

Offering a fully mobile dog grooming service means your clients are taken care of in the one place they really love to be... at home!

Control your work/life balance and decide when you want to work.

## Business Resources

Included in the sale is a fully equipped 2022 Mobile Dog Grooming trailer including all tools and equipment needed to operate the business.

Training can be provided at an additional cost should this be required.

The current owner will assist with handover for a limited period.
