

Bakery & Cafe for Sale Auckland

Simple Operation. \$200,000 Profit!

This is simple to operate South Auckland bakery café that you will operate under licence. Its not a franchise, as such, but it does have a recognisable and attractive brand and there are several successful stores.

This café, at the moment, offers just cabinet food and it still earns an impressive \$200,000 profit a year! The really exciting thing is that it has a kitchen and, like other stores in the brand, it can offer breakfast and lunch options. This has the potential to massively increase sales and profit.

Much of the product is bought supplied from a central kitchen and that means that, not only is quality ensured, but it also means that the kitchen wages if you decide to open for breakfast and lunch will be very well controlled.

Weekly sales are over \$17,000 and a working owner stands to make a **surplus of over \$200,000 per annum.**
