

# Telecommunications Provider Business for Sale Christchurch

## Recurring Revenue, Growth Potential, B2B, Operate From Anywhere

This business provides telecommunication services to a variety of Canterbury businesses. One staff member manages all set ups and ongoing queries. The owners role is limited to the initial client meeting and general oversight. His input averages to between 15-20 hours per week.

### Business Highlights

- Established 17 years ago
- Year on year growth
- Monthly, recurring revenue from clients
- Loyal and long-standing clients
- All B2B
- Predominantly Monday to Friday
- Excellent margins
- Little to no working capital requirements
- Opportunities for further growth

## Business Resources

### The Buyer

Experience/Knowledge of the IT industry is crucial. This business would appeal to an individual looking to commit full-time and grow the client base, or an existing business (For example IT Services) that can see synergies in their service offerings.
