**** Boots and All Home Services: Established in 2020 ****

Boots and All Home Services provides professional handyman services in Christchurch, catering to both residential and commercial clients.

With over 100 loyal customers, the business has built a strong reputation for reliability, quality, and trust.

Established just four years ago, it has quickly become a go-to service without the need for heavy marketing, reflecting its profitability and consistent demand.

The business is primed for significant growth, with opportunities to expand services, hire additional staff, and capture more of the Christchurch handyman market.

Its streamlined systems, loyal client base, and strong branding make it a highly attractive business for someone looking to take over and grow.
