

House With Fitness Studio Business for Sale New Plymouth

A rare opportunity to own the business and equipment, the land and the home.

This business would suit a qualified personal fitness trainer looking to acquire a valuable asset and create great life/work balance in a beautiful setting. This successful business has been running for the past 19 years with over 100 existing clients and potential to expand on this. The studio is 120 sq m with its own bathroom and lobby. Currently operating 30 hours per week grossing over six figures annually.

This studio comes with an attached 3 bedroom, 2 bath house with a bush reserve on three boundaries to ensure total privacy, peace and seclusion. You and your clients can enjoy the native and tropical trees and abundant birdlife. Less than 4km to city centre and within popular school zones.
