Iconic store supplying fashion jewellery components, beads and more. B2B and B2C in well established store or online

Are you ready to take your love for beads and jewellery findings and anything in between to the next level? Look no further than our established business! Our state-of-the-art website reaches customers far and wide (nationally and internationally) while our convenient local store delights those customers who prefer a hands-on shopping experience. The seamless integration of these two platforms allows for maximum customer reach and engagement.

Our iconic store has been supplying the creative industry, fashion, artists, motion pictures for many years as well as the passionate hobbyists.

By acquiring our business, you'll step into a well-oiled operation with a focus on quality products, exceptional service, and a successful track record. Owning this business means stepping into a lucrative industry with plenty of room for growth and creativity.

This is a very good buying at just \$ 60 000 plus stock (approx. 40k).

If you want to be your own boss with a proven business in importing, wholesale and retail, this could be your time to shine.
